

# Individual Achiever for AUGUST 2011

## TOBY APPEL

*Toby has been with Tobosa for 9 years. Toby recently fulfilled his lifelong dream of attending a Star Trek Convention in Las Vegas! Toby set a long term goal for himself to save enough money to make this dream a reality. Toby stated that "he loved it" and that it was everything that he thought it would be. By Toby working so hard at his job at Peter Piper Pizza, where he has been employed for almost 14 years, he was able to afford his dream trip plus all the awesome souvenirs!*
